- ✓ Verify all spelling, fonts, and colors.

I understand that computer monitor and desktop printer settings may vary, resulting in potential color differences between the PDF proof and the final printed result. I also have been notified that a slight amount of trimming is needed to ensure full bleed, which will result in slightly less printed content when compared to the PDF proof.

I hereby **authorize** _____ (or) **do not authorize** _____ Vivid Image Experts to produce printed materials for the company named below. If authorized, Vivid Image Experts has the right to use files and/or printed versions from "Company", for display or marketing purposes, and will not be held responsible for any copyright infringements.
